

**Fujitsu Supply Chain Contributors –
- with additional information (August 2008)**

In June 2008, FSC published a list of its supply chain contributors (<http://www.fujitsu-siemens.com/Resources/195/1704477914.pdf>). This document only lists the companies by name, but does not give any further information. Upon request, FSC has added the countries where these companies are based. Of some of the companies, the FSC spokeswoman did not have this information. The majority of the companies listed here are first tiers suppliers, or 'key suppliers' with whom FSC has a contractual relationship, according to FSC. Those companies that are not on the list are all small German suppliers, with whom FSC does not have contractual relationships, only involving 'tiny amounts' (of money), according to FSC.

Name of company	Country
Adaptec	Germany
AMD	Germany
AOC (Monitors)	Taiwan
APC	Germany
AsusTek	Taiwan
Atheros	Germany
AU Optronics	Taiwan
Brocade	Germany
Buhl data	Germany
Celxpert	Taiwan
Chi Mei Optoelectronics	Taiwan
Cisco	Germany
